### MINI RECITALS - MINI RECITALS ARE FOR OUR DANCERS AGES 2 THROUGH 2ND GRADE

Mini recitals are typically 90 minutes and focus completely on our younger students. All students will take the stage at the beginning of our show to calm nerves and wave hello to parents in the audience. After performing their routines, at the end of the MINI recital, all students will return to the stage again for their curtain call bow! This is a very unique recital experience and we are happy to provide our young students with a stress-free experience that is created with the young dancer in mind!

### FULL RECITALS - FULL RECITALS ARE FOR OUR DANCERS IN GRADE 3 THROUGH GRADE 12

Full recitals are longer performances (roughly 2 hours), and focus on our older students. All students perform with their classes and then return to the stage at the end for the finale dance routine. Full recitals involve more combining of classes, varied lighting, props and the show itself moves at a quicker pace. This is a special experience for our older students and a fantastic finish to the year!

### COMPANY EVENT

This is a special performance for all of our Company Dancers. All company group routines, solos, duets, trios and small groups will be performed. Company group dances will also perform in both FULL recitals. Details to come in the spring!

### AWARDS - 5, 10, 15 YEAR STUDENTS WILL BE PRESENTED A TROPHY ON STAGE!

If you have a student who has danced with us for 5, 10 or 15 years, keep your eyes peeled for the trophy form coming in the spring. Forms must be filled out by the student's family in order to be added to the awards list. A full year is defined as beginning in September and continuing on to perform in our end of the year recital. Dancers with five, ten and fifteen year status will receive their trophies on stage at the recital. Please remember to fill out the award form in the spring so we get your dancer on the list!

### TICKETS

Tickets will go on sale in May. All audience members will require a ticket. Dancers performing do not need a ticket. Infants in strollers do not need a ticket. Please keep aware of important emails as we get closer to show day. Ticket cost ranges from \$23-25

### IS MY CHILD READY?

We have a remarkable track record with our young dancers! Our teachers guide the children every step of the way. Successfully finishing a performance is a rewarding experience that you can draw from the next time your dancer is feeling nervous, excited or anxious about a new experience. We feel strongly that our dance recitals are about so much more than executing dance steps! Give your dancer the chance to surprise you and have this positive experience! Trust us - we've done this a few times before!
