

**Dear Director,**

**In Sync 2U is pleased to be the mobile division of In Sync Center of the Arts, a dance and music school located in Quincy MA. With over 27 years of experience, we have had the pleasure of teaching thousands of local children. The co-creator of our In Sync lesson plans is a certified preschool director herself and uses her expertise in the field of child development to create lesson plans that foster an age appropriate class experience. The lesson plans we use at In Sync are currently being used in studios all over the country and we can't wait to bring those same lesson plans to your program**

**In Sync 2U is a wonderful addition to your enrichment programs and a convenient option for your busy families. Our weekly theme based classes are held at your school. In Sync 2U takes care of all aspects of the classes. Tuition payments are made directly to In Sync 2U and we keep all attendance records and bookkeeping.**

**In Sync 2U has a simple mission to enrich children's lives through creative movement group activities that nurtures their imagination and encourages their development while having loads of fun! If you would like further information about In Sync 2U, or would like to set up a free demonstration day, please contact our office at (617) 257-5659 or email [insyncoffice@gmail.com](mailto:insyncoffice@gmail.com).**

**Sincerely,**
